The screenshot shows the Microsoft Word interface. On the left, the 'Select section' dropdown menu is open, displaying a list of sections: 'Activities', 'AI/Analytics', 'Cloud Wiki', 'AICC', 'HSS Illustration', 'Developer Services' (which is highlighted with a red box), 'Documents', and '2022 Competition'. Below this list, there are two buttons: 'Documents' and 'Developer Services'. The main document area is currently blank, showing only the title bar 'Title' and the top of the ribbon with various formatting options like bold, italic, underline, and font color.

3. You can write your content in this section.

recommendation

4. If you want to write an article and you wrote it in md format or another format, please copy it from preview screen.

The screenshot shows the 'Developer Services' page. At the top, there is a 'Developer Services' dropdown menu and a 'Title' input field. Below these is a rich text editor toolbar with various icons for text formatting (bold, italic, underline, strikethrough, link, unlink, list, indent, outdent, decrease indent, increase indent, bulleted list, numbered list, link, unlink, image, video, table, table of contents, undo, redo) and a font size dropdown set to '16px'. The main content area is empty. At the bottom, there are three buttons: 'Save as draft', 'Preview', and 'Submit'. A red arrow points to the 'Submit' button. The bottom right corner shows '0/50000'.
